

AERCO'S EXTENDED WARRANTY

AERCO'S Extended Warranty from shipment covers any SW1A, SW1B, SW1A+, SW1B+, B+II WaterWizard, or WW3E+ heater that is used in a domestic potable water heating application such as showers, tubs, lavatories, kitchens, etc. and hospital or hotel laundries only. Heaters used in part or full for industrial applications such as vat filling, washdown, process water, commercial laundries, and marine shipboard applications are covered by the standard warranty -18 months from shipment. Please contact your local sales representative for complete details regarding applications.

The following AERCO Heater components are covered by the Extended Warranty:

Heat Exchanger: The coils and risers shall carry a non-prorated 10-year guarantee against failure due to thermal shock, mechanical failure, manufacturing or material defect, or internal erosion. Coils and risers shall not be warranted from failure due to liming, corrosion, or erosion due to water or installation conditions.

Pressure Vessel: The pressure vessel consisting of shell & heads shall carry a non-prorated 20-year guarantee against leakage due to internal corrosion.

Anticipator: The integral demand anticipator unit shall carry a non-prorated 20-year guarantee against any failure.

AERCO'S STANDARD WARRANTY: 18 MONTHS FROM SHIPMENT

All other components of the heater assembly including control valve and all other external accessories are guaranteed against failure from defect in material and/or workmanship for a period of 18 months from shipment.

CONDITIONS OF WARRANTY: Should an AERCO heat exchanger fail for any of the above reasons within the specified time period from the date of initial shipment, AERCO shall, at its option, modify, repair, or exchange the defective item. AERCO shall have the option of having the item returned, FOB its factory, or to make sure adjustment at the point of installation. In no event shall AERCO be held liable for replacement labor charges or for freight handling charges.

AERCO shall accept no responsibility if such item has been improperly installed, operated, or maintained, or if the buyer has permitted any unauthorized modification, adjustment, and/or repairs to the item. The use of replacement parts not manufactured or sold by AERCO will void any warranty, express or implied.

This warranty coverage is only applicable within the United States and Canada. All other geographical areas carry a standard warranty of 18 months from date of shipment or 12 months from startup, whichever comes first.
