

Quick Start Guide

1 Make sure your Innovation is powered on and connected to the internet.

2 Visit app.nexaplatform.com or scan the QR code to create your Nexa user account.

3 After logging in, set up your organization by entering your property name and address.

4 Register your Innovation by entering the 'Serial Number' and 'Fixed ID' provided with each device.

5 Collaborate effectively with your team by inviting users to your organization.

6 Once setup is complete, navigate to your dashboard to view real-time performance metrics.
